What Is A Business Support Group?

The NHCOC Business Support Groups are composed of NHCOC members who are actively engaged in growing their business and are eager to receive constructive advice, practical suggestions and qualified referrals from their peers and “best practices” information from experts in various fields.

Do you need to be part of a Business Support Group?

If you say “yes” to even one of the following, you **NEED** a Business Support Group!

- Do you need increased/larger sales?
- Are you losing control of your company?
- Do you want to diversify your product line & create additional revenue streams?
- Is your “prospect pipeline” dry?
- Are you looking for intelligent feedback for confronting challenges and making

decisions?

- Do you understand that times change, creating the need for continued education?
- Are you ready to take your business to the next level?

What Is In It For You?

As a business person, there are four primary issues that consume your time. Participation in the Business Support Group will help you:

1. Create more money
2. Create peace of mind
3. Create more value to your customers
4. Create more value in your business

What is the HOT SEAT?

Each member has the opportunity to bring an issue, problem or promotional piece to the group to ask for and receive feedback, both negative and positive.

5 Simple Rules

Here are the rules each member follows:

1. No pressure selling to each other
2. Attend every weekly meeting.
3. No competition – you will be the only representative of your business category
4. Total confidentiality – what happens in the meeting, stays in the meeting
5. All group members must be members in good standing of the NHCOC.

Your No Risk Guarantee!

Attend a meeting to see if the Business Support Group will benefit your business simply by calling Laura to confirm the next meeting. If you cannot see the advantages of the group, you need not return. No questions asked. But if you do see the advantages, contact Laura Sparano (330-467-8956; Laura@nordoniahillschamber.org).
